2 yr Dir: Karen DiGenova

1 yr Dir: Candy Reardon

Affiliates Directors:

Chet Centers, Peoples Bank

Rusty Parsons, Century Nat

Chapter Presidents:

Cambridge: Rhonda Marvin

Zanesville: Deb Graham

Dear GMVAR Members,

To begin, what a great turn out for our annual Realtor Board Meeting, held at the Cambridge Country Club! It was wonderful to gather with our many affiliates and enjoy great entertainment and dinner together. Congratulations to all of our award recipients! It is my hope that 2018 will be just as prosperous, if not more, than 2017.

This first newsletter seems like the perfect outlet to express my goals for our board for the coming year. First, and perhaps most important, I encourage continued and increased participation in our board. It is very important that our committees strive to better the board as a whole, as everything the committees and board completes throughout the year shapes our profession and our community.

Second, I would like to see GMVAR host and supply two or more quality continuing education classes for our board members. It is my belief that a quality board, with such quality continuing education classes, can only better our members as agents and brokers.

Finally, I think it is important to give back to the community this year. I hope the board strives to select and participate in a community project – whether that be hosting a food drive, or volunteering within the community as a group for a worthwhile project that serves those less fortunate than us. Participating in projects for the community fosters teamwork and strength amongst our members and the community we represent. If any member has a suggestion for such a project, please let us know!

As an aside, it is my hope that Kathy can collect some statistics for us, so that we have a better idea of how the board is growing as we move forward. How many paid members were there in 2016? How does that number compare to paid members in 2017? What were our sales, per the MLS, in 2016? How do those sales compare to 2017? How many of those sales resulted from residential sales, land or lot sales, and commercial sales? We hope to have this information for you by the March Newsletter.

It is my pleasure to represent the board as President for 2018. Thank you!

Respectfully yours,

Dave Ogle, President, GMVAR
